Minutes of the meeting of 14th July 2016
Minutes subject to approval by the Parish Council
DC16/1347 – Towne House, The Village, Ashurst - Erection of detached dwelling and detached garage

**OBJECTION on the following grounds:**

- Councillors are concerned over the increase in vehicles requiring access directly to the B2135 because as the main road between West Grinstead and Steyning it can get busy. Concerns were expressed that additional vehicles turning onto the B2135 could be dangerous and detrimental to other road users.

- Ashurst Parish Council believes that Ashurst is a rural exception site and as such only affordable housing can be considered for development in the village. This will also be noted in the neighbourhood plan, currently under development.

- The proposed development is very close to the cottages on School Lane and would therefore impact on these dwellings.

Sopers Farm
Cllr Willett advised that HDC enforcement officers are taking action and visiting the site to take witness statements concerning the bund.
