## ***Appendix 1 – Report from David Fischel***

Ashurst Cricket Club

Notes for the Ashurst Recreation Ground Trust AGM 1 November 2018

### Overview

After a successful 2017 with eight victories and a draw out of 10 games, it was very disappointing that we only managed two games in 2018, including our annual charity game v. S. Duffett XI in aid of St Barnabas Hospice, and against Tillington, near Petworth. We also hosted one junior game for an Ashurst resident.

A number of games were cancelled by the opposition but we were also ourselves guilty of failing to produce a side on a number of occasions.

The progress of England to the football World Cup semi-finals keeping interest in football alive well into July was a definite distraction.

But, as pointed out in previous years, traditional Sunday village cricket across the county is suffering from a number of underlying challenges. Most notably that available players are predominantly either under 16 or over 40 with very little in-between because of family and other commitments. Regular cricketers in the in-between age bracket are generally playing league cricket on Saturdays and so not available on Sunday. Cancellations are rife and a number of village teams have actually closed (eg. Washington).

A lot of our good under 16s from previous years had progressed to taking A levels so became unavailable and, despite a theoretical list of over 20 potential players, the over 40s were not available in sufficient numbers to plug the gap.

We also suffered from Steyning CC playing an increased number of unscheduled games on Sundays, especially 20-20 matches.

### Plans

Our plans for 2019 entail

- \* A more limited fixture list of say five fixtures, unless we find sufficient player demand for more.
- \* Identifying a new and younger group of officers (Captain, Fixtures Secretary, Groundsman etc).

We will also explore longer-term options

- \* A more overt linkage with a larger club to provide a deeper and readier pool of players.
- \* Youth cricket.
- \* Women's cricket.

### Ground and Pavilion

\* The pitch played well on the limited occasions it was used. Rabbit invasion has been reduced as we replaced the fencing surrounding the square which had reached the end of its useful life.

\* We appreciated generally good quality grass cutting from the external contractor.

\* The cricket Pavilion was made available for the School on a number of occasions, for the Dog Show and other village events.

#### Financial

\* Match fee income was minimal in 2018 so the rent of £800 and other outgoings (in particular, replacement fence and mower repair) were financed by the Chairman. The rent is clearly out of line with the Club's current reduced activities.

#### Thanks

\* We would like to express our thanks to the trustees for the continued use of the ground, with its pleasant and tranquil setting.

\* While some material issues need to be addressed, we look forward to further years of enjoyable cricket at Ashurst with additional local players and spectators always welcome.
